

MIDDLE SCHOOL STEAM DAY FOR GIRLS

Visitation School, located in Mendota Heights, is hosting a day of hands-on workshops led by STEAM professionals and exciting keynote speakers. It's an opportunity for girls in grades 6 - 8 who are interested in science, technology, engineering, arts or math to aspire, imagine, explore and discover new ideas. Now in its tenth year, STEAM Day for Girls opens minds and presents exciting avenues to explore.

2018 workshops include:

- Experimental filmmaking
- Drafting
- Radio-controlled airplanes
- STEM bunnies
- Sew like a surgeon
- Soapmaking

Registration opens on February 15.

- Cost: \$55 includes workshops, T-shirt and lunch.
- Space is limited to the first 100 registrants.
- Questions? Contact Zindy Mooney, zmooney@vischool.org
