

## **GUIDELINES FOR STUDENT PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES**

### **Our goals for each athlete are:**

- to help the development of a positive self-concept
- to instruct the athletes in the necessary skills of the given sport
- to develop respect for the athlete's fellow students
- to show sportsmanship when winning or losing
- to respect the performance of others
- to always show respect for authority
- to understand the value of teamwork
- to appreciate the value of self-discipline
- to show respect for his or her opponents

### **Extra-curricular and Athletic Eligibility (athletics, fine arts, academic teams, ski club, etc.)**

We encourage our students to participate in a variety of extra-curricular activities, however, in order to be eligible, students need to be in good academic standing and working to their potential. Grades will be reviewed on a regular basis to determine eligibility. If a student is declared ineligible, after a two-week period, their academic standing will be reviewed to determine if they can be reinstated or if they remain ineligible.

**Students must be present for at least half of the school day in order to participate in any school sponsored extra-curricular or athletic event (including practice and games).**
