Step 5: Create your security questions

Windows taskbar: 8:42 AM 5/26/2017

Enter your personal information. When you get to the section that says, "Student Name" please enter the name of your **youngest child enrolled at Nativity**. This will trigger the rebates you earned to tie back to your family. If you want to support a family other than your own, please enter the name of their youngest child. If you wish for 100% of your rebate to go into the school fund, do not put a name in this section. It is not necessary to enter anything for the classroom/group field

You will need to enter a mobile phone number and will be sent a 6-digit verification code via text message. If you ever want to sign into your account from a computer/device you don't regularly use, a verification code will be texted to you to ensure account security. This mobile number will also help if you ever forget your username or password as account verification can be done via text message.

Setting up your payment via ACH transfer: aka Presto Pay

Once you have established your account, click on the dashboard link. Then go to family functions, PrestoPay. Follow the instructions to set up your ACH bank transfer to pay for your Scrip purchases.

You will receive two small test deposits into your banking account from GLSC within two business days. **You will need to look at your bank account to view these deposits.** Once you see them, log into your account at www.shopwithscrip.com. Then click on Dashboard, Family Functions, PrestoPay, and verify the deposit amounts to ensure accurate account information was received.

Upon verification, you will receive a 4-digit PrestoPay approval code. **Email that approval code to Molly Lee at scrip@nativity-mn.org** and she will complete your enrollment process within one business day.

Please do not place any orders until you hear from the scrip administrator via email that your account has been verified and approved...doing so will cause the system to create an order to be paid by check and Nativity is currently only doing ACH payments! Any orders placed before the ACH process is completed and verified will not be filled.

NOTES ABOUT PRESTO PAY:

1. There is a \$0.15 fee for each transaction you make...so order Scrip in batches to avoid excess fees!
2. If your account has insufficient funds to process your order, you will be expected to refund Nativity the \$30 fee charged to them by the GLSC.
