

2017-2018 Cretin-Derham Hall Winter Baseball Clinics

“CHAMPIONS ARE MADE, NOT BORN!”

Cretin-Derham Hall School is proud to offer two winter baseball camps this winter. Camp #1 is a two-day youth holiday clinic for grades 1-5. Camp #2 is a 5-week winter clinic for grades 6-9.

The objective of the CDH clinics is to provide each player with the proper mechanics and fundamentals of throwing, hitting, fielding and more. Our staff will teach and demonstrate drills and techniques that will develop and refine your child’s skills to provide a foundation for continued improvement even after their clinic experience.
