

Hoop It Up Basketball Camp

For boys and girls entering grades 2-8

Calling all young ballers...this camp includes offensive and defensive drills, shooting drills, contests, scrimmages, and lots of FUN.

As camp director, I combine my love of basketball with my experience working with youngsters to make Hoop It Up Basketball Camp a great experience for kids of all abilities. I have played basketball all my life and played competitively through college at UST. I work part-time as a pediatric physical therapist and full-time as a lucky mom of four. I have experience coaching both youth basketball and girls AAU. You can email me, Katie Fenlon, at kfenlon@gmail.com if you have any questions.
