

## Nativity of Our Lord Catholic School

### Techno-Connections

Join Mad Science as we connect with technology! Experience the basic forces that make technology possible: use Newton's laws to make things move, convert potential energy into kinetic energy, leverage simple machines to do your work, and use gravity to keep your balance. Explore the world of future technology as you set up a cellular tower relay to track your friends; program and command real robots, construct a taco battery, and make light from a liquid. And of course, get a great signature Mad Science take-home every day! Class content varies depending on series length. Visit [mn.madscience.org](http://mn.madscience.org) for class syllabus at your location.

Gr 1 - Gr 5

Tue 2:40 PM - 3:40 PM

1/22/2019 to 2/26/2019
